Catholic parishes subsidize \$250 of a student’s tuition when the Pastor of the parish verifies that the family is registered in the parish, are active participants in the parish, and financially support the parish through the envelope system. Students who cannot provide verification from their parish are responsible for the full amount of tuition.

**For students in grades K – 5, the \$300.00 tuition deposit will be deducted from the total tuition.** Families who have multiple children in grades 1 through 5 will be granted a \$150 discount off of the stated tuition for the second, third, or fourth students registered. For example, the net tuition for 2 students in grades 1 – 5 who are Catholic parishioner would total \$7,404. (\$3,777 X 2 - \$150)

**Advancement Activities**

Tuition for the 2011/2012 school year only covers 61% of the cost of educating the students. The actual expense to educate a student in grades K- 5 \$5,903.50 the balance of the cost is covered through various Advancement activities and a subsidy from Saint Dominic Church. The Advancement goal for the 2011/2012 year is \$87,500 and all families must make a commitment to participate in Advancement activities. We would encourage the families of preschool to participate in the School’s Advancement activities in order to help us meet our Advancement goals for 2011/2012.
